Encouraging ~ Equipping ~ Empowering Women
Living The Life that Christ came to give!

Dear Potential 2010 Sponsor:

It's that time of the year again! We are excited to announce our upcoming third annual "Living the Life Women's Conference" on **October 1-2, 2010** at the Selena Auditorium. Last year we ministered to about 600 women from all over Texas! In addition to our mission to *encourage, equip* and *empower* women to live the life Christ came to give according to John 10:10, we are reaching out to the "least of these" in our community this year. The theme for our conference this year is "**Radical Love**" as Living the Life seeks to challenge women to love radically not only in their our own homes, workplaces and churches, but in our community by partnering with "Church Without Walls" and Pastor Rey Escalante. For more information on this ministry to the homeless and less fortunate, please visit www.churchww.com.

We are blessed and honored to host Thelma Wells (www.ThelmaWells.com) as our guest speaker this year. Thelma was a popular core team speaker for the nation's biggest women's conference tour "Women of Faith" for years. She is an author who has written 18 books including "God is Not Through with Me Yet" and "Don't Give In...God Wants You to Win!" Her ministry's mission is "*to cause effective, positive change in the people we serve, their families and their communities, by motivating and encouraging them to be their best for God.*" To meet the rest of the Living the Life conference team, visit www.LivingTheLifeCC.com.

As our attendees know, we always strive to provide a high quality, life inspiring and spiritually transforming women's conference that is local and affordable. Our event is not sponsored by any particular church but rather by the efforts of an inter-denominational group of women who love God and love women. We ask that you please pray about partnering with Living the Life in bringing about positive change in the lives of women who are moms, wives, sisters, friends, employees and entrepreneurs in our world. Our conference is not possible without caring sponsors like you who choose to invest in the lives of these precious women in South Texas. Please see the attached sponsor level sheet to see how we can partner together to make a difference!

Thank you so much for your time and consideration. Again, we appreciate every size sponsorship. Should you have any questions, please feel free to email me at livingthelifecc@gmail.com or call me at (361) 945-2457.
