

Living The Life

Encouraging ~ Equipping ~ Empowering Women
Living The Life that Christ came to give!

Dear Potential Sponsor:

We are excited to announce our annual upcoming "Living the Life Women's Conference" on **September 18-19, 2009** at the Selena Auditorium. Last year we ministered to 500 women from all over Texas! Our attendees were not only from the Corpus Christi area and surrounding communities, but they came from San Antonio, Houston, McAllen and some traveled even farther. We anticipate an attendance of over 1,000 this coming year. The mission of the Living the Life Team and conference is to *encourage, equip* and *empower* women to live the life Christ came to give according to John 10:10 and that is life to the fullest!

We provide a high quality, life inspiring and spiritually transforming women's conference that is local and affordable. Our theme this year is "**Draw Me Nearer**" as women will be challenged to have a more intimate walk with God, develop more vibrant relationships with others and passionately live to make a difference! Our guest speaker is Mindy Ferguson with Fruitful Word Ministries, Inc. (www.fruitfulword.org). Her ministry is to help women have a fresh look at life, live fruitful lives and leave a flourishing legacy. She is a contributing author to several publications and has written her own bible studies including her latest, "Walking with God." To meet the rest of the Living the Life conference team, visit www.LivingTheLifeCC.com.

We ask that you please pray about partnering with the Living the Life team through your tax deductible donation. Our conference is not possible without caring sponsors who choose to invest in the lives of women in our community and beyond. Please see the attached sponsorship level opportunities. Every sponsor who gives \$500 or more before **July 1, 2009**, will have their logo placed on our conference posters and fliers to be distributed and posted in area churches and businesses. (Checks can be made payable to "Living the Life Ministries" and mailed to P.O. Box 490, Portland, Texas).

Thank you so much for your time and consideration. We appreciate every size sponsorship. Should you have any questions, please feel free to email me at livingthelifecc@gmail.com or call me at (361) 945-2457.

Building Women from the Inside Out,
